Good of the Order

Please keep those on the prayer list and their families, our men and women serving in the military, and those in need in our own parish.

District wide Picnic

A district wide picnic date has been set for Saturday, June 5, 2010 at Dan Nickolas Park please mark your calendar. This park has a lot to offer for the whole family. Each council would take on coordinating a different event such as Fishing, boating, softball, and golf on a small scale, etc. Hot Dogs and Hamburgers will be provided and each family bring a side dish to share we will have a feast. Sorry, no beer or wine permitted in the park.

Support our Troops

Another area that we could support our troops is by clipping coupons. The Sunday paper is generally loaded with coupons. The Women's Guild collects the coupons and mails them overseas to help our service family survive. The coupons should be cut out, not just the whole circular. A painless way to help those that are protecting and serving our country.

Room at the Inn

The program to build a College based maternity facility at Belmont Abbey College is getting closer to the 'Pledge' goal, but still needs to fill a gap before construction can begin. Our council is one of the few in North Carolina that has made a pledge to this campaign. Two councils have already doubled their pledge in actual contributions. In order to get the dirt flying the State board is asking each knight to make a personal pledge of \$100.00 to be paid over five years, or \$20.00 a year for five years. Of note, Planned Parenthood is building a 9-story abortion center across the street from the University of Texas at Houston. This will be the largest such facility outside of China. They are targeting college age women whom Room at the Inn is trying to setup facilities to help them keep their babies, get an education, and care for the child. A pledge form can be found on our web site for you to print out and mail along with you contribution.

Words of wisdom from Maxine

Let me get this straight. We're going to be gifted with a health care plan written by a committee whose chairman says he doesn't understand it, passed by a Congress that hasn't read it but exempts themselves from it, to be signed by a president who also hasn't read it and who smokes, with funding administered by a treasury chief who didn't pay his taxes, to be overseen by a surgeon general who is obese, and financed by a country that's broke.

What the h... could possibly go wrong?

Food for thought

The work of our council is supported by 40 plus members and the load isn't getting any lighter. Carrying a card in your wallet is not what makes a Knight of Columbus.
