Under new Management!

I would like to thank everyone for your help and support during the last two years. To those who served as officers, Job well done, thanks. There were some runs, hits and errors during those years. A few new programs started; Mass for Deceased Members, Food Baskets for Thanksgiving and Christmas. I hope that these will become regular events. Michaels Moon, the Christmas bicycle donations is an area we could help more. To Cloyd and the incoming slate of officers my prayers are for your leadership taking us to a higher level in the vision of Fr McGivney.

Good of the Order

Please keep those on the prayer list and their families, our men and women serving in the military, and those in need in our own parish.

Support our Troops

Another area that we could support our troops is by clipping coupons. The Sunday paper is generally loaded with coupons. The Women's Guild collects the coupons and mails them overseas to help our service family survive. The coupons should be cut out, not just the whole circular. Painless way to support those protecting and serving our country.

Room at the Inn

The program to build a College based maternity facility at Belmont Abbey College is getting closer to the 'Pledge' goal, but still needs to fill a gap before construction can begin. Our council is one of the few in North Carolina that has made a pledge to this campaign. Two councils have already doubled their pledge in actual contributions. In order to get the dirt flying the State board is asking each knight to make a personal pledge of \$100.00 to be paid over five years, or \$20.00 a year for five years. Of note, Planned Parenthood is building a 9-story abortion center across the street from the University of Texas at Houston. This will be the largest such facility outside of China. They are targeting college age women whom Room at the Inn is trying to setup facilities to help them keep their babies, get an education, and care for the child. A pledge form can be found on our web site for you to print out and mail along with your contribution.

Words of wisdom from Maxine

Let me get this straight. We're going to be gifted with a health care plan written by a committee whose chairman says he *doesn't understand it, passed by a Congress that hasn't read it but exempts themselves from it, to be signed by a president who also hasn't read it and who smokes, with funding administered by a treasury chief who didn't pay his taxes, to be overseen by a surgeon general who is obese, and financed by a country that's broke.*

What the h... could *possibly* go wrong?

2010 "Keep Christ in Christmas" card program

Finding religious Christmas cards is not always easy; they may have the right picture with the wrong message. We have an opportunity to help support the Squires program and raise funds for the council. Half the price of the cards would be council income. To take advantage of early ordering prices an order must be placed before September 25, 2010.

'Good night Mr. and Mrs. America' was the sign off for Gabriel Heater on his radio program.

Therefore, this is my sign-off and hope that the next 16 days, but who's counting, passes without the need for any more e-mails, etc.
