Back to work

The long hot summers is all to quickly turning into fall. Time for "What I did on my summer vacation" essays. Realistically, we need to get back into our regular routine. Our first breakfast after a summers rest is Sunday September 27, 2009. To accommodate the new Mass schedule we will be serving from 8 AM to

Noon. This should provide sufficient time for more people to enjoy our delicious and nutritious offerings. On top of this, we have the Drag Strip driving this Thursday, Friday, Saturday, and Sunday. In addition, the Eucharistic Congress is Saturday September 26, 2009.

Operation LAMB is lagging last year's. We could put together a 'Basket of Cheer' and raffle it off before Thanksgiving; and/or Christmas. Another item might be a \$500.00 prize or gas card. No matter which course we take, it will mean some work and time from the membership.

Z-MAX DRAG STRIP NEWS

Drag Strip Update

Anyone scheduled to drive at 7 AM on Thursday September 17, 2009; Jerry said you can sleep an extra hour and report at 8 AM instead. Don't forget we still need drivers. Please contact Jerry for available time slots.

Driver Safety Training

Don't forget driver safety training is scheduled for September 30, 2009 at 7 PM. Please meet at the 'Oak Tree' at 6:30 PM.

October Races

Is coming up fast the schedule is on the web site. Please go over your schedule and the available slots to see which you can fill. The speedway is our major income source; many other events would have to be scheduled to replace the income. Signup soon and often.

"We need you to be an active member of the council."

Thoughts for the week

Isn't it strange how a 20 dollar bill seems like such a large amount when you donate it to church, but such a small amount when you go shopping?.

Isn't it strange how 2 hours seem so long when you're at church, and how short they seem when you're watching a good movie

Isn't it strange how everyone wants front-

row-tickets to concerts or games but they do whatever is possible to sit at the last row in Church?

Isn't it strange how we need to know about an event for Church 2-3 weeks before the day so we can include it in our agenda, but we can adjust it for other events in the last minute?

Isn't it strange how we believe everything that magazines and

newspapers say but....
we question the words in the Bible?

Isn't it strange how everyone wants a place in heaven but... they don't want to believe, do, or say anything to get there?

Parish BBQ

On Wednesday October 7, 2009, St James will host its 55th Annual BBQ. This is the largest fund raising event of the year bringing in much need revenue. Please consider coming and lending a hand. The one area that needs the most help is in Take-Out, which generates most of the income.

New Rectory

The Move to the new rectory will be handled by professional movers and done during the week of the September 21st. Several parishioners have offered donation for the rectory and those items we may be asked to pickup.

Thanksgiving Food Baskets

At a previous meeting, we discussed putting together a 'Thanksgiving' basket of food for several needy families. Do we still want to do this; and who will head this up?

The council is not just the Grand Knight and/or elected officers. Rather it's the collective input and efforts of the membership. The membership should and must get involved or the purpose and intention of the Knights of Columbus becomes meaningless.

Your involvement is crucial to the council and K of C. Get involved, help plan, implement and carry out council programs so your not just another pretty face in the crowd. We need your participation to grow.
